

We all figured Star Wars Celebration Orlando would be the first time we got to see something from Star Wars: The Last Jedi, and director Rian Johnson has confirmed that he will be indeed there along with Lucasfilm president Kathleen Kennedy on Friday, April 14, for a special panel discussion. Full details on what the panel will entail are still under wraps, but it's expected to feature "a few surprises and special guests", and we will almost certainly see some kind of showcase reel or BTS footage from the film itself. To mark the occasion, Johnson has shared a new black and white image of some First Order Stormtroopers on the set of The Last Jedi. WWE, NXT, TNA and MMA fans!
