

While talking with Shock Till You Drop Rick Baker talked a little bit about his alien designs for Men In Black 3. Baker said that since the movie will be based out of the 60's he wanted to designs aliens that refelct that era with more B movie designs. Said Baker: "The thing that's cool is there is a time travel element [to the story]. Where I had fun is that we go back to the Men in Black headquarters of the '60s. The first thing I said is that we should have retro aliens, not aliens of 2012. More based on B-movies of the '50s and '60s. So, a lot of the aliens are based on that. Space suits with fishbowl helmets and ray guns." Baker also spoke a little about going to see Rise Of The Planet Of the Apes. He worked with Tim Burton on Planet of The Apes and
