

To call the concept art of Bill Hader's Alpha-5 horrifying would be an understatement, and while we've yet to see what Zordon looks like, another new image of Power Rangers' Rita Repulsa has found its way online today. As you can see, Elizabeth Banks is looking ready for action here, though some might argue that she pales in comparison to the version dreamed up for an earlier version of the movie. Another trailer for Power Rangers is expected to be released later this month, but we don't know exactly when. Power Rangers stars Dacre Montgomery (A Few Less Men) as Jason the Red Ranger, RJ Cyler (Me and Earl and the Dying Girl) as Billy the Blue Ranger, Naomi Scott (The 33) as Kimberly the Pink Ranger, Becky G (Empire) as Trini the Yellow Ranger, and Ludi Lin (Monster Hunt) as Zack the Black Ranger. Rounding out the cast are Elizabeth Banks as Rita Repulsa and Bryan Cranston as Zordon. The movie is
