

We've seen plenty of Elizabeth Banks' iteration of Rita Repulsa over the past few months and even have a rough idea at what her master plan will likely be, but despite all that, there is still so much to learn about the evil witch and her history with Zordon and his Power Rangers. The biggest question, of course, being whether or not she's actually the original Green Ranger as her costume and glowing power coin seem to suggest. As part of their Valentine's Day marketing campaign, the official Power Rangers movie Twitter account posted a brand new promotional image of Banks as Repulsa and it's one her most menacing shots yet. Check it out below: Saban's Power Rangers follows five ordinary high school kids who must become something extraordinary when they learn that their small town of Angel Grove – and the world – is on the verge of being obliterated by an alien threat. Chosen by destiny, our heroes quickly discover that
