

Interview conducted by and copyright Edward Gross This interview with the screenwriters was conducted a few months before the film was released. Although the fantasy and comic book genres are not their first love, writing partners Christopher Markus and Stephen McFeely certainly seem to have made themselves comfortable there. For starters, the trio adapted the Chronicles Of Narnia film series from the works of C.S. Lewis, and they're represented on screen with the adaptation of Marvel Comics' Captain America. In the following exclusive interview, the duo detail how the project came together from their point of view, the strengths of Captain America as a character and then postulate on Cap's place in the modern world. SCIFI MEDIA ZONE: How did you prepare for the project in terms of research? STEPHEN: We went to the comic book store and read 70 years of comics. CHRISTOPHER: And after that, you face the main first
