Their drones are winning American wars around the globe and now they want to bring this technology to the home front. Alex Murphy (Kinnaman) is a loving husband, father and good cop doing his best to stem the tide of crime and corruption in Detroit. After he is critically injured in the line of duty, OmniCorp utilizes their remarkable science of robotics to save Alex's life. He returns to the streets of his beloved city with amazing new abilities, but with issues a regular man has never had to face before. RoboCop will be directed by Jose Padilha and star Joel Kinnaman (The Killing) in the lead role of Alex Murphy/Robocop.
