

Thanks to a reader who has sent us scene details and photos from last week's shoot on Calder Road in Mississauga, we may have some Potential Spoilers on a scene that took place. The bystander describes the scene as an "anniversary party" of sorts, and tells us that the crew was very welcoming and even let people watch the live-recording camera feeds. You can always email your own set photos and reports by clicking [HERE](#) "Only actors at this set would be Joel Kinnaman and Abbie Cornish since the house is being used as Murphy's house I believe. Highly Likely that they were there as it was their anniversary party that they were filming. A few days ago they actually had the whole street closed down at night for some explosion scenes, the next day the whole house had burn residue on it and a Big dent in the garage, wish I
