

Thanks to Just Jared, we have a few more photos from the set of José Padilha's remake of RoboCop featuring Joel Kinnaman as Alex Murphy and Abbie Cornish as his wife, Ellen. As you can see, the studio are now being far more careful by covering up Kinnaman as the titular character, although some would argue that it's now too late as many fans have already decided they won't like the film based on literally two set photos of the unfinished suit! Be sure to click on the link at the bottom of the page to view the rest of the photos. In RoboCop, the year is 2029 and multinational conglomerate OmniCorp is at the center of robot technology. Their drones are winning American wars around the globe and now they want to bring this technology to the home front. Alex Murphy is a loving husband, father and good cop doing his
