

You've already read Josh's take on this, so here's a very different one from yours truly! Honestly, I'm not even a huge fan of the original Total Recall. I loved it as a kid when I saw it first, and still enjoy the gory, OTT absurdity of it, but it is by no means a great movie. So when it was announced that we would be getting a remake it really didn't bother me too much. I'm not a fan of director Len Wiseman at all, but the cast was solid, and I actually quite looked forward to seeing Bryan Cranston as the villain. Should be an entertaining enough time-passer anyway right? The story is pretty much the same as the original - that itself a loose adaptation of the Philip K. Dick short story "We Can Remember It for You Wholesale" - but with one crucial difference. In the Paul Verhoeven
