

Rose spent 5-6 hours a day in the makeup chair for Conan the Barbarian, she had prosthetics starting from the bridge of her nose to the top of her head. "I think she's quite majestic... She is a bit startling at first but I think she's quite beautiful in her own way." She also gave her thoughts on why Jason Momoa is better than Arnold Schwarzenegger's Conan. "Arnold is very muscular, but Jason is a beautiful man. His muscles are very different – of the non-steroidal variety. "If you go back and watch the Schwarzenegger one, he can barely pass his sword from one hand to the other, because he's so bulky." Total film also asked her on the reason that her long anticipated Barbarella remake with director/fiancee Robert Rodriguez never got to production. "It was a pity. I have a test that we did that would blow people's minds. I took the flak. I never
