

On paper, the CW's Arrow appears to be making all the right moves. Deadshot, Deathstroke, Chyna White, Huntress and now The Royal Flush Gang (RFG) are all confirmed to appear on the show. Reportedly appearing in an episode titled 'Legacies' that probably implies that we won't see an origin story for the villains but one of the later incarnation of the RFG. The group has ties to Hector Hammond and Maxwell Lord in the pages of DC Comics. />Actor Kyle Schmid will portray Ace in the show's version of the RFG. Schmid was previously seen on "Being Human" and "Blood Ties." Zap2It reports that his real name is Kyle Preston, a slight deviation from the Android Ace of the second generation Royal Flush Gang. No confirmation yet as to whether Schmid is indeed playing an android. The Royal Flush Gang
