

The website, Nuke The Fridge, got a review from a person named Razar, that apparently saw GI JOE 2 and says that movie was amazing. Check the review out below by highlighting the text. Be warned the below review contains big Spoilers to the plot of the movie. Hello Nuke the Fridge I am a BIG fan of your site and have the following review for you guys... Hope you like it!

“G.I. Joe: Retaliation” is perfect for fans that wanted a more serious tone than the last outing. The film included lots of ninja action, (although they are far from “silent” about it), which fans of the major story arc between Snake Eyes, Storm Shadow, and Zartan from the Marvel comics will be thrilled with. Plenty of fan favorite characters like Firefly get plenty of screen time and a few new surprises, and Cobra Commander dons his familiar reflective mask. The villainy is
