

Thanks to Shajib Rahman from the Official TDKR Community for the scoop! RamaScreen have reported that they recieved an email this morning containing insider information on The Dark Knight Rises. The source wishes to remain anonymous and claimed to have seen the six-minute prologue to the movie, showing infront of 70mm IMAX screenings of Mission Impossible: Ghost Protocol. The Bane info: Nolan has significantly rewrote the story of Bane from the comics. He is raised by Ra's al Ghul and his up bringing mirrors that of Bruce Wayne. It's a mirror of Bruce, except it's darker and twisted. Bane is trained to be an assassin for the League of Shadows. He kills political figures that are deemed unfit by the LOS. So he is a bit of a Che Guevara/ Jason Bourne type character. A revolutionary and an assassin. He comes to Gotham to start a revolution by revealing the cover up
