

Source: The Film Stage Not sure what to make of this one. I have to post this news with a caveat since I'm not too familiar with Think McFly but The Film Stage is always on the up and up, so we'll call this a rumor for now. Apparently the WB Execs are really happy with early footage and the fan reaction to the Man of Steel thus far, so a gaggle of writers are on the list for potentially penning the sequel. It should be noted that David S. Goyer (The Dark Knight Rises) is not on said list but that's not too surprising since director Zack Snyder felt the need to rewrite the final draft from Goyer. Hopefully, this early head start will mean that we'll be able to get a Superman sequel sooner rather than later. Of course this all depends on how
