

While speaking with the PLAYLIST, Ryan Reynolds, Star of this summer's highly anticipated superhero blockbuster Green Lantern spoke about key issues surrounding the film, as well as some light talk about its possible sequel. On the negativity towards the first trailer: "A lot of the moments of levity you've probably already seen in that first trailer," he said. "Because they were earthbound scenes, that trailer lacked a lot of special effects cause none of it was ready yet so we were limited to only using fifteen minutes of usable footage to harvest a trailer out of it. But I wouldn't say [the comedy] is pervasive throughout the whole movie. When he's arrogant and cocky in the beginning you see a lot of that, but once he's humbled by this gift, it's a different story." On the negative comments made by fans about the studios Lackluster promotions for the film: "Movies like this are such a
