

When it was revealed that Warner Bros. and DC Entertainment were planning on releasing a Justice League movie in 2013, many speculated that it would involve Henry Cavill's Superman, Ryan Reynolds' Green Lantern and a rebooted Batman. Well, once again we have something that seems to state the opposite. Zack Snyder has already revealed that the Man of Steel will not be the same one we see in the team-up movie and now Ryan Reynolds once again says he has no knowledge of it either. Check out the video, along with a transcription, below. [Movie Trailers - Movies Blog](#) "I hear about it, but I hear about it the same way you do: from a Ouija board, late night over a glass of Chardonnay." "I don't know much about it other than it is in the makeup and the plans and the development slate of Warner Brothers. But, I don't have anything to do
