

From now until next Wednesday, we are running two great promotions on SuperHeroStuff.com. For starters, you can save \$5 on any order over \$30 that you place on our site when you use ARKHAM5 as your coupon code. It will work on all merchandise, you don't have to order any Arkham City shirts. But that's not all we are doing. We are going to pick one customer randomly every day to get a free copy of Batman Arkham City on the platform of their choice. We will pre-order it for you and ship it out the day it's released. You don't have to do anything to opt in to this giveaway, the winner will be selected randomly from the previous days orders.
