

As we all know, Scarjo will reprise her role as Black Widow in Joss Whedon's The Avengers. She hasn't been spotted on set yet but is believed to have been shooting scenes at a facility doubling for a Russian base recently. Anyway, speaking to MTV the young actress assures fans that the Avengers franchise is in good hands and that we can expect a completely different type of flick than we have previously seen from two other big directors of Marvel Studio movies.. "Joss is a fanboy. I think that Joss is going to protect the franchise by staying true to the characters' integrity." "I think Jon Favreau is such a different director from Joss Whedon. The flavour is different, their fingerprints are different. They just have a different way of storytelling - same with Thor director Kenneth Branagh." Johansson also reveals that her favorite scene in the movie is when the whole
