

Firstly, we have Rob Plutz and Facebook's Superman: Man of Steel (2013) for the following images. In the first, we see what appears to be a train wreckage on the streets of "Smallville" following earlier photos of a wrecked plane, which can be seen on the trains right. The second, from the same source, features a school bus seemingly threatening to fall right into a lake, surely waiting for a save from the Man of Steel. STARRING: Henry Cavill as Clark Kent/Superman Amy Adams as Lois Lane Kevin Costner as Jonathan Kent Diane Lane as Martha Kent Michael Shannon as Zod RELEASE DATE: June 14th, 2013. And courtesy of SupeHeroHype Forums member "Polaris23", we have this mysterious photo, depicting what appears to be a cracked tunnel, full of stacked cars. Word from the Los Angeles set is that security is very tight, with filming taking place secretly on the other side of those vehicles. STARRING: Christian Bale as Bruce Wayne/Batman Michael
