

When an enemy disrupts that which industrialist Tony Stark/Iron Man holds most dear, he must rely on his ingenuity to protect those closest to him. Along the way, he discovers the answer to a question which has haunted him: does the suit define him, or does he define the suit?

Iron Man 3 is scheduled to hit cinemas May 3rd, 2013. It's helmed by Shane Black, and includes an all-star cast including Robert Downey Jr, Gwyneth Paltrow, Don Cheadle, Guy Pearce, Rebecca Hall, and Sir Ben Kingsley as the Mandarin.
