

With construction of the many Comic-Con displays currently ongoing over in San Diego, a few spy pics from the show floor have found their way online, giving us an advanced sneak peek at some of the many upcoming comic book movies which will be featured at the event. Wonder what that display for The Avengers will end up being?! Click on the link below to head on over to Bleeding Cool to see even more photos. THE AVENGERS GHOST RIDER: SPIRIT OF VENGEANCE MEN IN BLACK III
