

Thanks to First Showing, we have the following highlights from the panel which is currently taking place in San Diego. These are just a few select excerpts, so be sure to click on the link below to head on over to the site to read their coverage of the packed out panel in Hall H for yourself. -Finally, The Amazing Spider-Man! Logo hits the screens and the audience already cheers. -"You might want to put your 3D glasses on." -Finally, the lights go down, there's a low rumbling... but it's just showing the logo... the crowd starts a slow clap, but nothing happens. Still waiting... -Some weird low rumbling sound coming from the speakers... -Same footage as the teaser, but with a few tiny extra bits of footage, like a digital version of his webshooter... They're mechanical, but look digital. -Some guy comes to the microphone to ask a question wearing a crappy Spider-Man costume and says
