

Talking in San Diego to Comic Book Resources, former Marvel Comics E-i-C and current Chief Creative Officer Joe Quesada has revealed a ton of new details on the past, present and future big screen adaptations from Marvel Studios, including the fact that the likes of THOR 2 will be standalone, accessible features with just nods to The Avengers. Also discussing the hiring of Shane Black as Iron Man 3 director, the DC relaunch and more, check out the following interview below.
