

The first image is taken from the official site of The Amazing Spider-Man, and it gives us a nice clear look at the movies logo first shown in the teaser trailer, and more recently on the streets of San Diego. The second has been unveiled via USA Today in their Comic-Con report, and is seemingly a brand new image of Spider-Man coming out of the sewers. (after a confrontation with the Lizard perhaps?!) Finally, we have what is basically an "official" screengrab from the teaser trailer, released by MSN UK but already seen in our own WolvieCBM's article a few lower than this one. STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE: July 3rd, 2012.
