

Thanks to a tip from EasterBunnyKiller we now have an extended six and a half minute look at the upcoming cartoon, Green Lantern: The Animated series. Some of the footage has been seen before, but it does give us a good look at Hal flying his fighter jet, more of the Red Lanterns, and hearing Hal recite the Green Lantern's Oath. Check out my exclusive interview with the voice of Hal Jordan in the series, Josh Keaton, [HERE](#). Green Lantern: The Animated Series will be released later this year.
