

Thanks to Twitter user Matt H. we now have some awesome looks at conceptual artwork for Beware The Batman and Teen Titans Go!. He was also able to provide coverage from the panel including what we can expect from both series. Highlights include: Beware The Batman - No Joker, no Penguin, no Riddler. Playing with things from the comics. Batman does more detective work. - Batman doesn't eat, he is on a liquid only diet. - Alfred is a badass. Former MI6. Helps train Bruce. - Mr Toad voiced by Udo Kier. - No Batgirl CG Project. Brave/Bold was from a pitch or nixed DTV project with her. - Barbara Gordon will appear in Batman. Into computers, amazed by Katana. Teen Titans GO! - Complete comedy. Some action. I believe they said 11 minute shorts for this one. - Full original voice team back. - Lots of old characters will return. Here's some artwork featuring all of the main Titans characters, as well as
