

Don Cheadle talks War Machine with MTV: "What's a lot of fun in this one is that the character gets a little bit more opened up. There's a little bit more to do with Robert, and that relationship gets a little deepened," Cheadle said. "They've kind of had to come to some sort of agreement. At the end of 'Iron Man 2,' [Rhodey] says, 'I need a suit.' And he just takes it. So you've got now a private sector Iron Man and a military Iron Man." Get More: Movie Trailers, Movies Blog
