

SYNOPSIS: Visionary filmmaker Ridley Scott returns to the genre he helped define, creating an original science fiction epic set in the most dangerous corners of the universe. The film takes a team of scientists and explorers on a thrilling journey that will test their physical and mental limits and strand them on a distant world, where they will discover the answers to our most profound questions and to life's ultimate mystery. The following still has found its way online, and while it's far from exciting, it is reportedly an official image from Prometheus. Any idea what's going on? No? Me neither! Be sure to share your thoughts in the usual place.

STARRING: Noomi Rapace as Elizabeth Shaw Charlize Theron as Meredith Vickers Idris Elba as Captain Janek Michael Fassbender as David **RELEASE DATE:** June 1st, 2012.
