

Episode 2 – Starved for Help is now available to download on Xbox LIVE Arcade for the Xbox 360, followed on tomorrow (June 29th) on for the PlayStation 3 for those in North American (other territories coming soon). The PC and Mac versions of the episode will also be available to download tomorrow from the in-game menu. 'Starved for Help', met with critical praise at the 2012 Electronic Entertainment Expo (E3), winning GameSpy's Best Adventure Game award. IGN.com nominated 'Starved for Help' for Best Xbox 360 Game, Best PC Game, Best PS3 Game, Biggest Surprise, and Overall Best Game of Show, saying "...'gut-wrenching' doesn't even begin to describe Episode 2". Official Xbox Magazine said that Episode Two is "...promising even more intensity than its nerve-jangling predecessor." The Walking Dead is set in the world of Robert Kirkman's award-winning comic book series. Lee Everett, a man convicted of a crime of passion,
