

The new Cabin In The Woods trailer is a good deal shorter than the first and is really more of a teaser. It contains quite a few of the same shots as the last one, but there are a few new spoilerific ones so if you don't want to know too much about the twists and turns of this mysterious new horror movie, might be best to give it a miss.. The Cabin in the Woods is scheduled for release in US theaters April 13th, 2012. And there are prequel comic book adaptations in the pipeline too.
