

In addition, the Thundercats panel at Wondercon yielded some new info on the show. The highlights are that two new voice actors have been announced. The awesome Clancy Brown (known for his stellar voice work in Justice League Unlimited) will voice Grune The Destroyer, and Robin Atkins Downes will voice Mumm-Ra. Although Liono will start off as a child, he will reach maturity as the show progresses. And a cross over or appearance from The Silverhawks was also teased!
