

Not that people need it, but there is now another reason to check out Sherlock Holmes: A Game of Shadows. According to Batman-On-Film, via Cosmic Book News the second trailer for The Dark Knight Rises will be premiering with the movie. A Game of Shadows is set to hit theaters on December 16th, the same day as the IMAX release of Mission Impossible: Ghost Protocol, which will feature the prologue to The Dark Knight Rises as well. From Batman-On-Film: BOF has been "unofficially" told that the second trailer for THE DARK KNIGHT RISES will be attached to SHERLOCK HOLMES: A GAME OF SHADOWS -- which is also a Warner Bros. film. SH2 is being released on December 16th. While this makes sense, I've got to wonder if they will actually release a trailer the same weekend as the "TDKR Prologue" which will allegedly will be show in front of IMAX screenings of MISSION:
