

I just got back from seeing Green Lantern and i decided to do a video review. Yes i know you dont want to watch me whine about this movie but i didn't feel like writing a review, plus i just discovered the video camera on my mac so yeah... I wanted this movie to actually prove the critics wrong. i wanted it to be a situation where it was good despite all the negative reviews it had gotten so far. But i wasn't impressed and i expressed why in the video.
