

During the panel at Long Beach Comic Con, director Shane Black talked about his upcoming project Iron Man 3. While it is nothing major, he also shares his thoughts on writer Drew Pearce and what is his main focus for the movie. Thanks to @RIMBreaks for the heads up. * There will be references to the Avengers in Iron Man 3, but this will be Tony's movie. * 'Is Iron Man 3 going to take place during Xmas?' Shane Black - 'It's negotiable.' * Black wants Jon Favreau to return as Happy Hogan. * Black thought that the end of The First Avenger: Captain America movie was a big mess. * On not giving away too much Iron Man spoilers: "Do you want to know what happens when you die? Just wait till you'll die." * On his IM3 co-writer, Drew Pearce: "These British people...they are really are something! We should have more of them!" * His main
