

Deadline reports that Sharlto Copley has now officially signed up to play the villain in Spike Lee's Oldboy, the highly anticipated reboot of the cult 2003 thriller from Park Chan-wook. He'll play Adrian Pryce, a character described by the site as, "a mysterious billionaire trying to destroy the life of Joe Douchett." Filming begins this Fall. The South African actor is best known for his roles in the two films mentioned above. Josh Brolin and Elizabeth Olsen are also set to star.
