

"I am used to getting out at 3am and doing something stupid."--SILK SPECTRE --> Comic Book History Who is SILK SPECTRE? Laurie Juspeczyk was actually the second person to use the name SILK SPECTRE, the first one was her mother, Sally Jupiter. She was pushed by her mother in this role of becoming a crime fighter to follow her footsteps. At first, she resented both her mother and her duty as a superheroine. First Appearance Laurie's first involvement in crime fighting is when she joined the group crime busters, a small community of costumed vigilantes started by Captain Metropolis. On a mission with Dr Manhattan the two soon fall for each other and shortly after the act was introduced that prevented any costumed vigilantes from taking the law into their own hands. This prompted Laurie to move in with Dr Manhattan and work in a secret government underground lab. However, she stayed in contact
