

Like him or love him, Trump is here to stay. But for the sake of wishful thinking, wouldn't it be nice to have geek culture as a pastime for the sitting prez. Let's pretend President *gulp* Trump was into the nerd life. Oh sure, he'd still be his sex offending, disabled-making-fun-of, awesome self, but he'd be our fanboy, sex offending, disabled-making-fun-of, awesome self. Let's take a look at the Bizarro World's Twitter feed of our 45th president, the only way he seems to know how to communicate.
