

The latest to join Sideshow's cast of Marvel Premium Format Figures is Skaar, Son of Hulk. Each piece is individually painted and finished, each with its own unique quality and detail that is the trademark of a handcrafted Sideshow Collectibles product. Featuring a real fabric costume and presenting the Sakaarson in 1:4 scale, the Skaar Premium Format Figure is an outstanding addition to any collection. The great catastrophe on the planet Sakaar laid waste to the planet and caused the death of Caiera who carried inside her the child of the Hulk. Believing both Caiera and his unborn child dead, the Hulk sought revenge on those he held responsible, giving birth to a new kind of monster. But the child was not dead, and he emerged from the charred waste
