

First up we have a new featurette on John Hillcoat's Lawless, the highly anticipated adaptation of the novel The Wettest County in the World. The movie reunites TDKR/Tinker Tailor Soldier Spy co-stars Tom Hardy and Gary Oldman, alongside an all-star cast including Shia LaBeouf Jessica Chastain, Guy Pearce, Mia Wasikowska, Jason Clarke, and Dane DeHaan. This one has been getting rave reviews and is bound to be a corker. Via HeyUguys. Next is the first official still from the fantasy adventure flick Empires of the Deep, featuring the gorgeous Olga Kurylenko. According to The Playlist, the story deals with "a young man in an undersea kingdom who has to save his father, while encountering ferocious sea monsters, mermaids, monsters and demons.. Check out this awesome Mondo poster for The Raid: Redemption by Jock. For details on how you can nab one head on over to MTV Movies Blog. Here is the
