

Now you might be thinking this entire edition of small print is just an excuse to post a Happy Easter vid from the lovely Miss Upton, and you'd be right! But that doesn't mean we don't have lots of other great stuff too. For starters here are some eggs painted up as Marvel and DC characters. Via Geeky Gadgets.. And a cute little Easter Bunny Cthulhu statue from Retroist.com.. This one looks very interesting. Looper, the new sci-fi movie from Brick director Rian Johnson, has its first poster. Via Starburst.. Joseph Gordon-Levitt plays a mob hit-man, contracted to complete his latest hit by his future self played by Bruce Willis. It sounds a bit contrived, but Brick was great so I'm looking forward to seeing more from this. Here's some funny fan-art depicting the Stark family from Game Of Thrones and possibly a very distant relative. Unlucky Snow!.. Next, just in case you haven't seen this
