MARTHA KENT COMES HOME - Clark (Tom Welling) is surprised to see Martha (Annette O'Toole) on the news speaking at a pro-vigilante rally. However, surprise quickly turns to horror when he and Lois (Erica Durance) watch as Martha gets shot on national television. Meanwhile, Lionel (John Glover) reveals himself to the world and reclaims LuthorCorp from Tess (Cassidy Freeman) and Oliver (Justin Hartley). Lois and Chloe (Allison Mack) decide to cheer Clark up by showing him videos from thousands of vigilante supporters professing their support for The Blur. Videos were created and submitted by actual Smallville fans... Mike Rohl directed the episode written by Don Whitehead & Holly Henderson. "Beacon" is scheduled to air at 8.00pm on Friday, February 4 on The CW.
