

The Smallville "Finale" is now on Amazon Unbox & iTunes for a HD download of Clark finally learning his one true destiny as Superman! Other Smallville news is actress Erica Durance landed herself her own TV show after the end of Smallville. The new TV show is from CTV (Canadian broadcaster) and is a drama named Saving Hope. With production to begin in Toronto Canada on June 22. The description of Saving Hope from CTV is: "sexy, fast-paced drama set in a Toronto hospital." Saving Hope will be produced by Ilana Frank and written by Morwyn Brebner. Many thanks to Kryptonsite.com for both bits of news. LEEE777 - Well if you missed the "Finale" that's where you'll find it and Erica didn't hang about, so congrats to her on her new leading weekly drama. CTV, CW, hmm.
