

Though next week isn't the finale I thought I should share with you the latest promos on the finale 2 hour episode that I'm sure will not dissapoint. Now being that I'm sure their have been many of us that have grown up with Smallville, And it's had it's ups & downs & I am not gonna go into detail with the screw ups. We have either loved or hated the show on some moments but lets not forget 10 seasons is one helluva ride. [Promo #2](#) [Promo #3](#) By the way, these promo's have me pumped for the finale & I can't wait
