

Marvel One-Shots are short films featuring Clark Gregg as S.H.I.E.L.D Agent Coulson and serve as expansions to the Marvel cinematic universe. We have already seen The Consultant which was a part of the special features on the Blu-ray release of Thor. Now check out a tease of the awesomely titled A Funny Thing Happened On The Way To Thor's Hammer below..

Marvel Comics One-Shot: A Funny Thing Happened on the Way to Thor's Hammer from David Myrick on Vimeo. The short film picks up after Agent Coulson leaves Tony Stark's lab in Malibu during Iron Man 2 and occurs before he arrives solo at the crater site in Thor. Many thanks to Rimbreaks for the heads up, and David Myrick for posting (link to his Vimeo channel below)

You can see the entire short on the Captain America: TFA Blu-ray release this December. By TwitterButtons.com
