

In March of 2012, see Cyclops, Iceman, Angel, Beast and Marvel Girl as you never have before in X-MEN: SEASON ONE! This original graphic novel written by Dennis Hopeless will provide a fresh take on the formative days of Marvel's mighty mutant heroes. Keep in mind that this is not a reboot of the comic, this is just a modern retelling of the origin. Marvel seems to be trying to make sure that there origin stays relevant in today's world.
