

Bat in the Sun has uploaded an alternate version of the Wolverine vs Wonder Woman battle. In a close vote, fans chose the Amazon princess to emerge victorious in her lethal battle with the mutant berserker. But in this alternate version, it's Weapon X and his incredible healing factor that catches Diana off guard. Which ending do you agree with? Did fans get it right the first time or do you only accept the results of the alternate ending? Let us know in the comment section below.
