

It remains to be seen when we'll get the next trailer for Wonder Woman, but an international version has found its way online today which offers up some very brief new snippets of footage (hey, that's better than nothing, right?). Around the 0:37 mark, there's some new shots of the hero deflecting a mortar shell, while we also get a slightly extended version of her taking down an enemy in a bar. "Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior," a recently released synopsis for the movie teased. "Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all wars, Diana will discover her full powers...and her true destiny." Wonder Woman also stars Chris Pine, Robin Wright, Danny Huston, David Thewlis, Ewen Bremner,
