

Synopsis - In the epic action-adventure Snow White and the Huntsman, Kristen Stewart (Twilight) plays the only person in the land fairer than the evil queen (Oscar® winner Charlize Theron) out to destroy her. But what the wicked ruler never imagined is that the young woman threatening her reign has been training in the art of war with a huntsman (Chris Hemsworth, Thor) dispatched to kill her. Sam Claflin (Pirates of the Caribbean: On Stranger Tides) joins the cast as the prince long enchanted by Snow White's beauty and power. NOW Magazine's source says that while visiting the set of Snow White and the Huntsman, Pattinson "started mocking the Thor star's Aussie accent," and next thing, "They had to be pulled apart." Now claims "Kristen isn't happy" after her man and Hemsworth had "a fight." A source close to the production tells us the NOW story is "complete nonsense." - gossipcop.com Well there
