

The CW has released a batch of promotional images for the upcoming forth installment of Legends of Tomorrow season 2, and they give us a look at some of the characters dressed in Civil War-era garb. It seems Firestorm, Vixen and White Canary are going to have their hands full dealing with a bunch of Confederate zombies (don't ask me, man, I just work here), while elsewhere, The Atom questions his usefulness to the team. Check 'em out below along with a full synopsis for the episode.

“Abominations” — (8:00-9:00 p.m. ET) (TV-14, DLV) (HDTV) SURVIVAL — When the Legends discover a time Aberration in 1863, they find themselves fighting for survival during the Civil War with Confederate soldiers who have been turned into zombies. With the Civil War outcome hanging in the balance, Jax (Franz Drameh) must participate in a daring mission by going to a slave plantation with Amaya (Maisie Richardson-Sellers). Meanwhile, Sara (Caity Lotz) begins to feel the burden of the
