

Lucasfilm/Cartoon Network details: By now, it's no secret that a familiar face will join Ahsoka's private guerilla battle against the Trandoshans. After all, it's hard to keep a seven-foot Wookiee under wraps, and Chewbacca's certainly not one to hide in the shadows when his friends are in danger. Making his Clone Wars debut, loyal and lovable Chewie teams up with the desperate Padawan to wreak havoc on the vicious hunters' plans -- proving once and for all that it's not wise to upset a Wookiee. Everybody loves Chewie," said Dave Filoni, supervising director of Star Wars: The Clone Wars. "He's like a big teddy bear, except that he's got a temper. You want him on your side, because if he's on your side, he's the best friend you could ever have -- and who wouldn't want a Wookiee for a best friend? But we didn't include him lightly. He's such a special part
